## Scotts® LAWN SEED

**PICTURE BRAND**—elegant lawn for the dress-up look. Brilliant green, smooth lovely texture and jewel-like beauty.

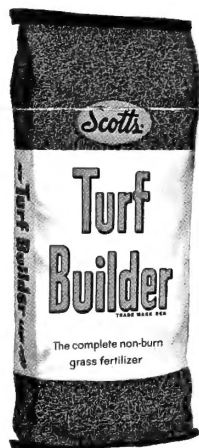

**FAMILY BRAND**—the all purpose lawn for outdoor living. Strong, attractive grasses that complement the home. Thrives in sun or shade.

**PLAY BRAND**—the extra-sturdy lawn. Makes a quick, rugged cushion. Gets along on most any soil—minimum care.

**BLUEGRASS BLEND**—Three of the newest and best bluegrasses for those who want the uniformity of the all-bluegrass lawn.

**CLOVEX®**—The easier-to-plant lawn clover. Insures uniform economical coverage. Packed in handy shaker boxes.

**SCOTTS SPREADERS**—Dial the number—get even, accurate application every time. No guessing, no need to measure lawn or weigh materials. Faster, more economical coverage too.

**NEW TURF BUILDER®**—(patent pending) Greatest invention since nylon—the complete non-burning grass food. Makes greenest grass ever. Produces steady, no-surge growth. Enjoy brilliant green grass without causing extra mowing.

**SOIL IMPROVER**—for problem soils. Exclusive formulation supplies dolomite, sulfur and iron. Easy to spread. Rain soaks it down into the rooting zone. Improves moisture penetration in clay soils.

**SILENT SCOTTS MOWER and Leaf Mulcher**—Incomparably better than any other. Smoothest, cleanest crew-cut imaginable. Instant starting—peacefully quiet operation. You can dial the height of cut in seconds. Safest mower ever made. (See back page)

**4-XD®**—Clears out dandelions, plantain, buckhorn, most common broadleaf weeds. Easy on grass. *Late spring thru summer.*

**WEED & FEED**—10 year success. Sure weed control plus feeding in one easy application. Delivers knockout punch when weeds are most susceptible. *Late spring thru summer.*

**SCUTL® Lawn Treatment**—Unique fungicide controls all common grass diseases. Also subtly curbs crabgrass, chickweed and many sprouting annual weeds. *Mid-spring thru summer.*

**KANSEL®**—Makes possible controlled removal of clover. Also banishes oxalis without danger to the grass. *Late spring thru summer.*

**COPE®**—The answer to lawn insects. Rids soils of grubs which attract marauders like skunks and moles. Can be used any time needed—*spring, summer or fall.*

**CLOUT®**—A power-house against toughest crabgrass. Controls dallis grass, foxtail, young goosegrass. Does the job in one or two spreadings. *Summer application.*

**LAWN CARE**—Digest of earlier issues assembled in loose-leaf binder.
